

# The Trailblazing EMR & CRM Solution for Behavioral Health

Everything must evolve, including healthcare. Benji is a full-service, single-system, enterprise EMR & CRM Solution that uses automation and advanced learning to drive compliant workflows for clinical care, documentation, and revenue cycles.

## Your Sidekick to Playing By the Rules

Benji means business, matter, reason, and possibility. Benji has a knack for being in the right place, at the right time. At Benji, we are your sidekick, helping progress your business on a clinical, compliance, and financial level, keeping your staff and your patients informed, engaged, and successful.

### Billing-Centric Technology

#### Unlock the Power of Data

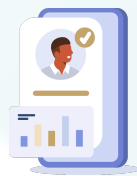

- ✓ Automated patient data analysis and personalized treatment plans.
- ✓ Improved accuracy by reducing the chance of errors in patient care and documentation.

### Documentation Rules Engine

#### Simplify Documentation & Billing

- ✓ Real-time visibility into billing and collections for improved cash flow.
- ✓ Streamlining processes, saving time, reducing administrative workload.

### Payor & Compliance Driven System

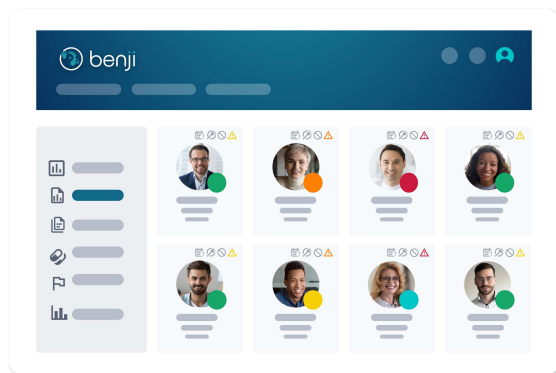

#### Optimize Reimbursement

- ✓ Up-to-date policies and legal regulations to avoid costly compliance-driven penalties.
- ✓ Simplify billing for maximum revenue.

It's not just technology – it's human connection

# Your All-Inclusive Practice Management Tool

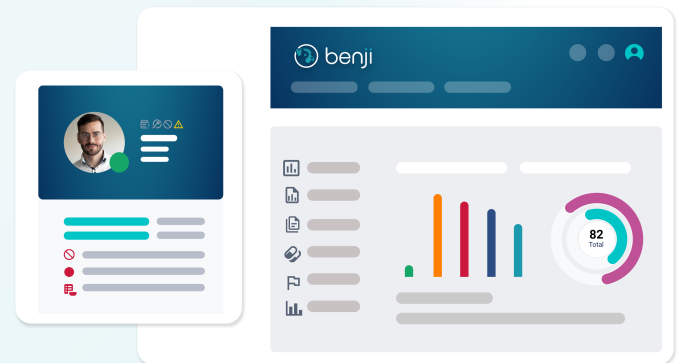

## Electronic Medical Records

Benji's **compliance-centric billing and EMR** features ensure providers accurately document and bill for their services. Our automation lets you quickly capture all required information to file claims, decrease denials, and truly **streamline revenue**.

## Customer Relationship Management

**Relationships matter**, and our partners mission is at the heart of what we do. Benji's **CRM** allows us to get to the same destination together. Stay connected, automate tasks, and seamlessly manage payor and patient data

**Hansei's**  
SERVICE

**Benji's**  
TECHNOLOGY

Hansei's matchless customer service and Benji's trailblazing artificial intelligence offer you a **first-of-its-kind enterprise solution** for behavioral healthcare.

Benji cares for providers, payors, and patients.  
We're ready when you are.
